

HOME FIRE SAFETY TRAINING FOR INDEPENDENT LIVING RESIDENTS

FIRE SAFETY MANAGEMENT
FOR YOUR AGED-CARE
CENTRE

*WE'LL MAKE SURE YOU REMAIN
FIRE COMPLIANT & ACCREDITED*

IS YOUR CENTRE COMPLIANT?

Survival Solutions brings over 20 years of fire compliance and accreditation through our fire awareness and emergency management education to the aged care industry & community.

As part of our responsibility to the Aged Care industry that supports us we are offering a FREE fire safety lecture to your staff & self-care residents, valued at \$800. Our Cert 4 qualified educators also offer a range of other commercial services and products such as fire awareness, evacuation, WHS and manual handling training.

- 1** Staff fire awareness education including theory of prevention, containment & safe evacuation, followed by practical use of fire extinguisher using our unique & safe gas operated training unit.
- 2** Fire warden training including the effective use & management of fire safety equipment, smoke detection & occupant warning system.
- 3** Trial evacuation drills using our unique smoke machine using staff as residents.
